1/28/2004 Talked with Jim Lynch. He said he would call back to let me know whether or not he would amend his claim to 0.04 cfs. I told him he would need to file a separate claim for irrigation if he can show that the ground was irrigated w/ groundwater pre-1963. The trailer went on the property in 1985. Recommend domestic w/ 1985 priority.
