RE: *Motion to File Late Notice of Claim*

At the hearing for your *Motion to File Late Notice of Claim* held May 22, 2002, the Idaho Department of Water indicated a need to change the claim number for this water right from 65-00058, which is already an existing irrigation water right for Montour Farmers Ditch Co that has been reported to the court and will be decreed shortly. After conferring with IDWR, it was determined that your late claim should be numbered 65-22678. That change has been made on both IDWR's and the Court's records. Any future correspondence with IDWR about this late claim should reference the water right claim number 65-22678. If you have any questions regarding this change or regarding your late claim, please don't hesitate to contact the Idaho Department of Water Resources.

Sincerely,

  
Diana R. Delaney  
Case Administrator
