Dear IDWR Director:

We have reviewed the map and other materials which you mailed us
pertaining to our Idaho State Water Right # 84-4000.

The map does not correspond with our property lines. It also highlights
what appears to be our domestic well # 2 rather than the unnamed/
spring diversion which is mentioned on the description accompanying the
map. Our spring diversion water right is covered under our WR # A84-
10137. We have received no map or information from ISWR pertaining to
this WR # A84-10137.

We should add that our neighbors, Fred and Lena Kuester also have a water
right on this same unnamed stream/spring. Their number is WR # A84-
07008.

Sincerely,

Charles P. Lamm
