On August 20, 2004, Claimant United States of America, on behalf of the United States Department of Agriculture filed *Standard Form 4 Stipulated Motion to File: Late Notice of Claim* for each of the above-captioned federal reserved water right claims. The original claims for the Hells Canyon National Recreation Area Act referenced sources located only in IDWR administrative basin 79. Subsequently, it was determined that six sources, represented by the subject late claims, are located in basin 78. The late claims were filed to ensure proper notice. A hearing was held on the *Motions* on October 27, 2007. No party filed an objection or appeared in opposition to the *Motions*.

After reviewing the pleadings and briefing in support and hearing comments from the parties the Court found good cause pursuant to I.R.C.P. 55(c) to grant the late claims. The notice of the filing of the late claims will appear in the October 2004 docket sheet.

THEREFORE, IT IS ORDERED that the *Motions to File Late Notice of Claim* for water right claims **78-12200, 78-12201, 78-12202, 78-12203, 78-12204, 78-12205** are **GRANTED**.

IT IS FURTHER ORDERED that the following deadlines and schedule shall apply:
