To Whom It may Concern

Dear Sirs.

7-8-2003

I am Gerald W. Stallings living at
2030 avocet Dr, Idaho Falls, Idaho, 83406
I was born and raised on the property
that Joyce Stallings now lives on and owns.
I was born July 13, 1930 and my earliest
recollections I remember a well with a
hand pump inside the home and a well
at the corral for watering the cattle and
other line stock. In 1946 and electric
pump was installed to service the home
and stockyard with pressured water.
I lived there from 1930 till 1951
Sincerely Gerald W. Stallings

to whom it may concern.

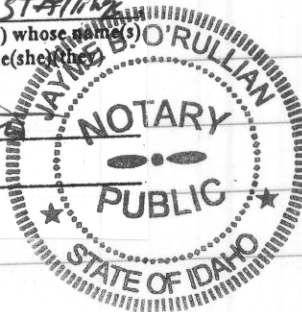

I Jayce O. Stallings first came to this farm in June 1952. I was dating Res K. Stallings whose parents Joseph + Dorothy Stallings owned the farm. The well that is here now is the same one that was here at that time. I moved to this farm in 1953 (Feb) when Res + I were married. I have lived here 50 1/2 years and the well has never changed in all that time. Res + I purchased this farm in 1960.

To whom it may concern,

I have known the Stalling family all my life. I am now eighty two years old. The family was our neighbors on the west. Leo, Joyce's husband, was born there. We visited in their home very often. They served us good drinking water when ever we deserved it. It came from a good well. The well at that home must be nearing the century mark.

To whom it may concern:

I was born in 1928. Three years later, about 1931, we moved to the farm in Lewisville which is now the property of Joyce Stallings.

By the time I was 6 years old, 1934, I was pumping water from a well for the animals. My mother had a handpump in her kitchen and she was the envy of the neighboring women.

In the 1940's my father put an electric pump in the well.
