Eastern Region

The above entitled matter came on regularly for hearing before the Board of Directors of the Progressive Irrigation District at its meeting held on May 20, 1997, in the office of the Progressive Irrigation District, at Idaho Falls, Bonneville County, Idaho, on a properly verified petition filed by RAYCE L. RUIZ and GRACE H. RUIZ, husband and wife, as owners, for the exclusion from the jurisdiction and operation of certain lands from the Progressive Irrigation District. The Board determined this land is no longer being used for agricultural or farming purposes, but is being used for either a housing project, industrial project or industrial property and entitled to be excluded from the jurisdiction and operation of the District. Having determined the foregoing matter; and on a motion by Thomas Tawzer, which was seconded by Dale Rockwood, and unanimously carried; the Board enters the following order:

IT IS ORDERED, that the following described lands in Bonneville County, Idaho, be, and they are hereby excluded from the jurisdiction and operation of the Progressive Irrigation District:

Lot 14-A, Block 1, RIVER ACRE ESTATES, Amended No. 2, to
the County of Bonneville, State of Idaho, according to the recorded
plat thereof.

Commonly known as: 807 W. Pleasant Street, Idaho Falls, Idaho 83401

The exclusion is on the condition that the water formerly used on said lands shall remain in District ownership as a part of the District's supply.

IT IS FURTHER ORDERED, that this order be entered in the minutes of the Board and that a copy of said order certified by the President and Secretary of the Board be immediately filed for record in the office of the County Recorder of Bonneville County, Idaho.

Done in open meeting this 20th day of May, 1997.
