COMES NOW the parties hereto and stipulate as follows:

1. Objectors stipulate and agree they are not challenging Siddoway's transfer of water to Little Ching Creek as set forth in Transfer Nos. 4372 and 5308.

3. The parties stipulate and agree that commencing with the 1990 irrigation season, IDWR entered an Interim Order requiring the watermaster to deliver Claimants' water at the Knotwell/Hirschi/Bennett point of diversion from East Camas Creek, until such time as the rights were determined by the SRBA.
