If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount. If you are not sure how to identify your portion of the original water right or adjudication claim records, please contact the nearest IDWR office for assistance.

Notice of Claim to a Water Right #75-7015 and Decree 75-11622

Dear Claimant:

We still have your former name of Dorothy Brogden on the water rights referenced above. Changing the name on your water rights can only be achieved by your completing a Notice of Change in Water Right Ownership form. I have enclosed that form for your possible use.

Including a copy of your divorce decree will replace the need for a Warranty Deed.

There is a \$25.00 charge to change the name on decree #75-11622.

Please call me toll-free at 1/800-451-4129 if you have any questions or concerns.

Sincerely,

Sally Sherman
