AFFIDAVIT

State of Idaho)
) SS
County of Gooding)

Before me this day personally appeared Larry Barlogi, who, being first duly sworn, deposes and says:

That I, Larry Barlogi residing at 421 East Reed Street, Hagerman, Idaho 83332, am very familiar with the property now owned by the Harold Forehand Family Trust.

My father, Rex S. Barlogi, purchased the land east of Old Highway #30 from my grandfather, Algeroy Penfold, on April 11, 1942. There was an irrigation ditch that carried water from a spring providing water for this property, which is also now used by Mr. Verl Bell for fish propagation. This ditch carried water to irrigate the whole of 13 acres that was later sold to the Condit Family and is the property presently owned by the Harold Forehand Family Trust.. The land was rough & rocky at the time and there was evidence of many years of prior irrigation. My father and I filled large sink holes with gravel to eliminate the old flumes and culverts to better the flow of water along the high part of the land. The property was and is presently used as irrigated pasture.

I am attaching copies of documents from my father's abstract of title which helps verify the priority date of June 22, 1925.

Sworn to and subscribed before me this 19th day of August 2004.
