RE: Snake River Basin Adjudication (SRBA)
Notice of Change of Water Right Ownership - #74-696

Dear Claimants:

We are returning your Notice of Change of Water Right Ownership. Before we can proceed, item 2c must be completed.

Plat maps can be obtained from your County Assessor's office.

When you obtain the plat map, please mark the location of your water source, outline your property and send the map to the attention of **Roxanne Brown** at this office. The Assessor's office should be able to assist you.

Since this water right claim has not been partially-decreed, there is no fee due. However, you should be aware the Court is getting ready to issue partial decrees. If you do not submit a complete ownership change form in the very near future, the water right will be decreed in the former owner's name.

Please call me toll-free at 1/800-451-4129 if you have any questions.

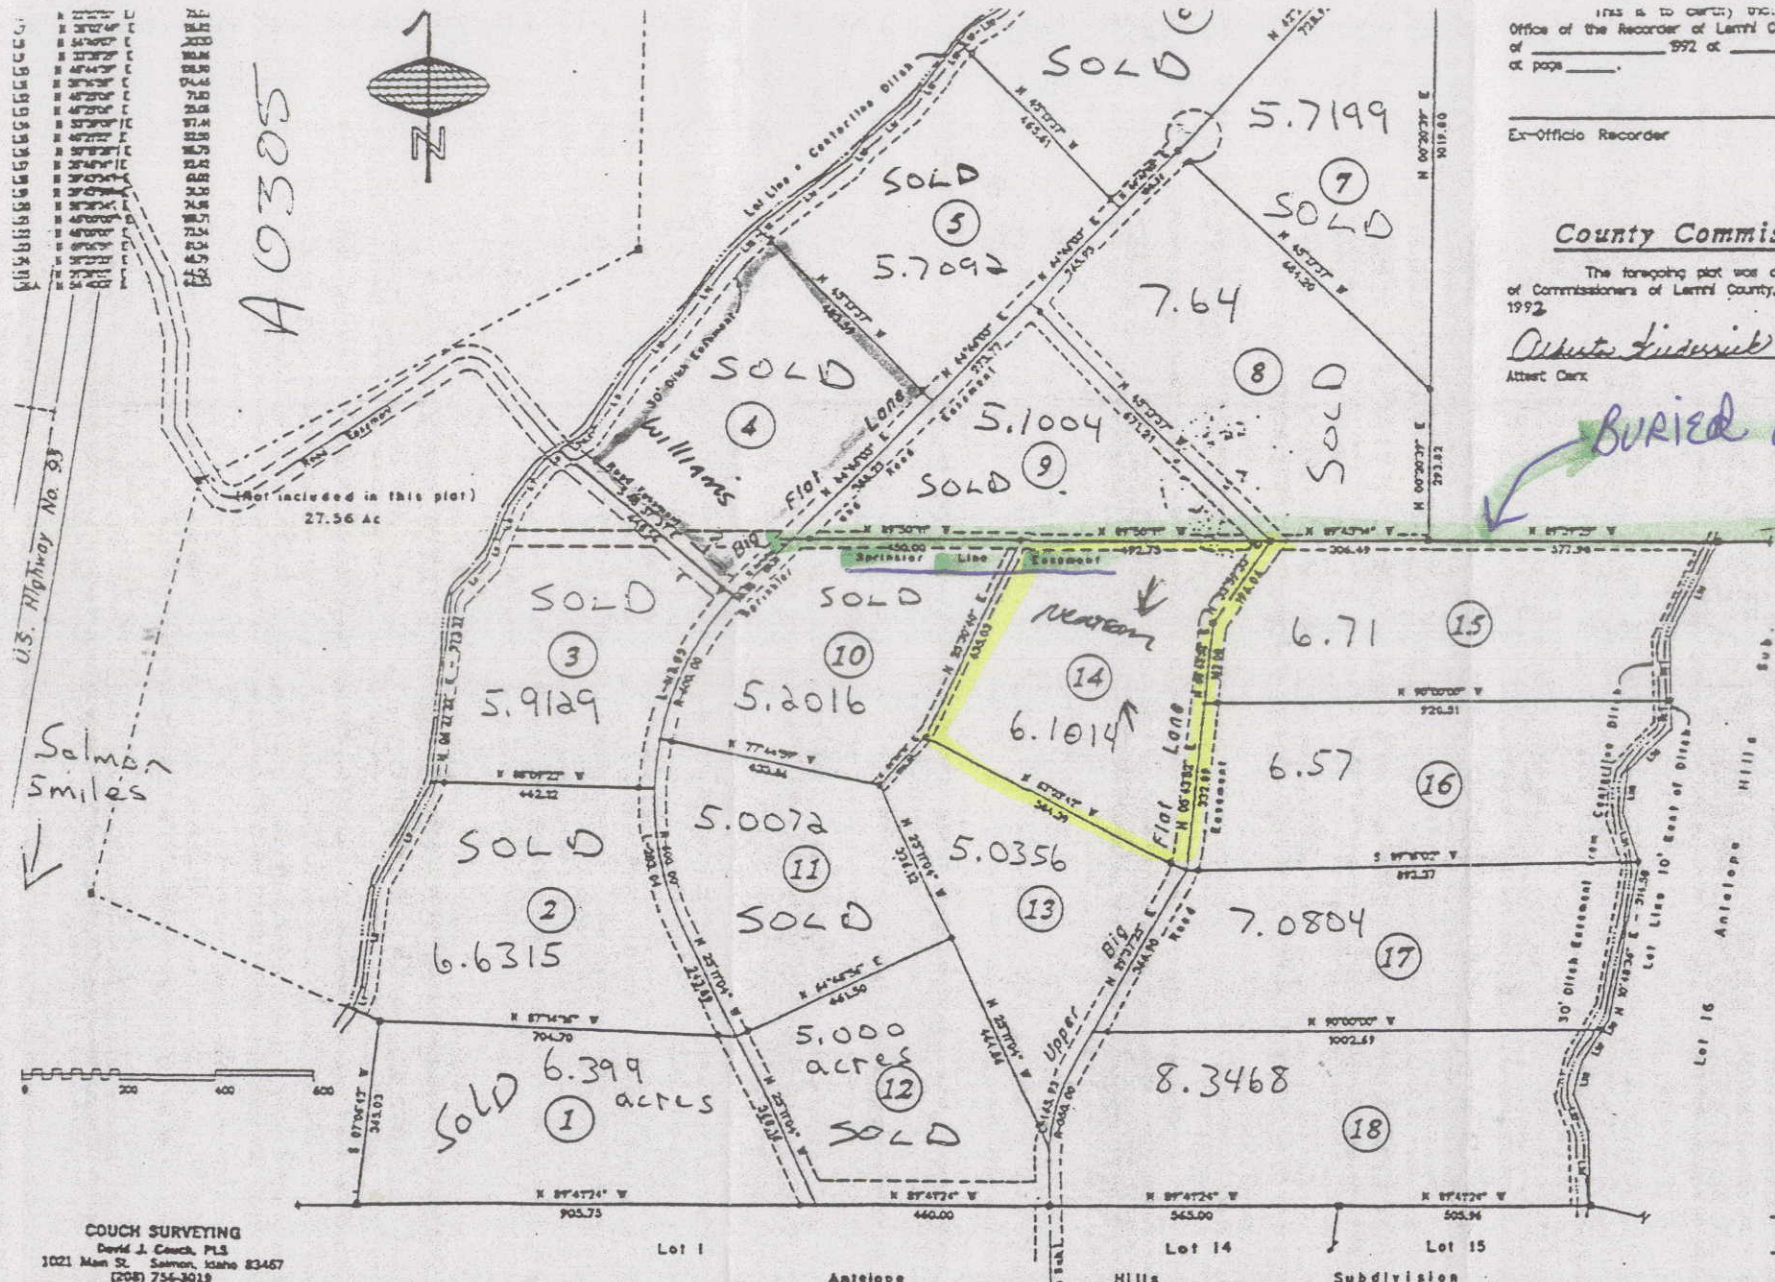

Sincerely,

Sally Sherman
