\* told him no rec. made yet -  
he can object when it is but he won't  
get actual notice until he needs to  
check w/ SRBA Ct and County Ct to  
see when filed, likely in Feb or March  
2005. He believes it's a new use or has  
been forfeited. Told him he can submit evid.

He settled his water rt. 29-13557  
bec. Al told him both would have  
same quantity.

But 29-4491 was change per.  
ADR in Feb. 04 to be .06 cfs not .03  
like his H<sub>2</sub>O rt.

\* Believes settlement based on error of  
fact -
