RE: EVIDENCE of PRIORITY FOR SRBA WATER RIGHT CLAIM 21-10892

PRIORITY DATE 12 MAY 1950

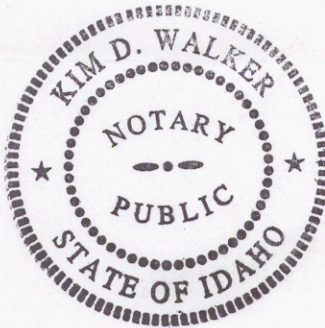

Dear Sirs:

I was only about a Freshman in High School, but I well remember helping my Father drill this well. { it is 64 ft deep, and the static water level is between 7 and 9 feet.}. We applied it to, and have continuously irrigated the 20 acres we own in the SW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of SEC 34 TOWNSHIP 9N RANGE 42, EAST BOISE MER.
