Subject 65-02958 Cruickshank

Gentlemen,

I was on the phone today during the Monthly Status Conference and could hear the court's frustration over the absence of a claimant in this subcase. Evidently the notice of the hearing was returned with a notation that the claimant was deceased.

I am informed from the Valley County Assessor's Office that the places of use described under 65-02958 are currently owned by someone other than the claimant (Cruickshank):

Harry L. Bortis

10775 Sucker Creek Road

Payette, Idaho 83661

(208) 634-5319 (phone number in McCall, Idaho)
