RE: Snake River Basin Adjudication (SRBA)
Water Right No. A21-12360

Dear Mr. Ewell:

We have been advised you may be the new owner of the property with the water right referenced above.

According to the county records, this property has no improvements on it. The claim to the property is for stockwater purposes. The department needs proof the water right is used for stockwater.

Before we can modify our records to reflect your new ownership of the water right referenced above, we need Form 42-248/42-1409(6) completed. This form is enclosed for your use. Please return the form, documentation and proof of stockwater use to my attention at this office no later than January 19, 1997.

Please call this office toll-free at 1-800-451-4129 if you have any questions.

Yours truly,
