Dear Mr. Gunn:

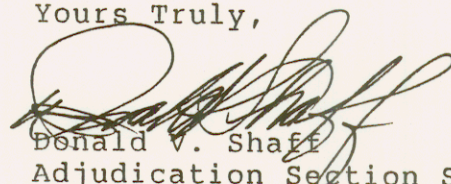

This letter is in response to your inquiry about the water rights to Packsaddle Creek Estates in Teton County. According to our records, as of August 31, no Notice of Claim had been filed for the Packsaddle Creek Estates, Tetonia, ID 83452. The filing deadline for Teton County is October 6, 1988.

I can understand your concerns being as far away as you are. I am enclosing a domestic claim form for your use should you decide to file. You should be aware that if you go ahead and file, and the homeowners' association also files, that your claim may be disallowed and the money you have paid is not refundable. On the other hand, if they don't file, then your claim is covered and you don't have to worry about it any longer. If the filing deadline goes past before you or the homeowners' association files, there will be an additional fee of \$50.00 for late penalties, unless extension is granted.

You may, of course, contact this office as the deadline approaches and we will research and tell you if they have filed a Notice of Claim at that time. We have found record of two licenses for Packsaddle Development Corporation, 22-7041 and 22-7358, and a permit 22-7357. If you will reference these numbers in any future correspondence or telephone conversations with us, it will make our search much shorter.

If we can be of any further help, please do not hesitate to contact this office.

Yours Truly,

Donald V. Shaff
