Dear Sir:

I have received, from your office, a Commencement Notice with regard to Civil No. 39576 - the General Adjudication of Rights to the Use of Water from the Snake River Basin Water System.

My wife and I own property in PACKSADDLE CREEK ESTATES, DIVISION NO. 1, TETON COUNTY, IDAHO. PACKSADDLE has a community well. It is our understanding from the Commencement Notice, "EXCEPTIONS TO GENERAL REQUIREMENT TO FILE NOTICE OF CLAIM", paragraph 3, that we are users, but not the owner of a water right. Our right comes by virtue of a Domestic Water Agreement between the Packsaddle Development Corporation and The Board of County Commissioners of Teton County, dated October 19, 1970. Paragraph 3 of the Notice also advises that users are not required to file a claim, "but the water user should make sure that the owner has filed a Notice of Claim." We have been unsuccessful in confirming that a claim has been filed by Packsaddle Development Corporation.

From our residence in Indiana we will not have access to the mobile units, nor do we see local Idaho newspapers. We therefore request your assistance in this matter. By this letter, we request that your office provide us with confirmation that a subject claim has been filed by Packsaddle Development Corporation or in the event no claim has been filed, please forward the required forms to us.

Sincerely,

Raymond G. Gunn II
