Case No. 39576	)	ORDER REGARDING ADDITIONAL
	)	SUBCASES AND SETTING DEADLINE
	)	
	)	SUBCASE NOS.: EXHIBIT A

On December 8, 2004 a hearing was held on numerous subcases in basin 29. At the hearing, the parties and the court discussed adding a quantity description proposed by IDWR and several parties to resolve certain objections

The additional description relating to the quantity element was set forth in a letter from the Idaho Department of Water Resources dated November 3, 2004 and attached hereto as exhibit 1.

At the hearing on December 8, 2004, the parties agreed to additional quantity language included in the IDWR letter. (Exhibit 1) However, it appears from the Court's file that certain subcases for which the proposed language was included, did not receive notification of the December 8, 2004 hearing. Those subcases are 29-13521, 29-13535, 29-13536, 29-13539, 29-13542, 29-13545, 29-13548, 29-13551, 29-13553, 29-13554, 29-13580, 29-13581, 29-13582, 29-13583, 29-13584, and 29-13586. If any party to these subcases has an objection to the proposed language, please contact the court in writing no later than January 21, 2005 with your objections.

*Re: SRBA Subcase Nos. 29-13587, 29-13593, 29-13599, 29-13605, and 29-13611 – Plus
water rights in the attachments*

Dear Claimant:

Your water rights have been identified as uncontested overlapping water rights to the above subcases. Through settlement discussions on the above water rights the Idaho Department of Water Resources and the claimant, Max Hall and the objector, Allan Christensen, have determined that a more specific quantity remark is warranted on the above water rights and in your overlapping water rights related to these subcases.

Settlement documents are being circulated in the above subcases that will settle Mr. Christensen's objections to those matters, provided remarks in your uncontested overlapping water rights are also changed. Attached hereto are descriptions of your uncontested overlapping water rights in underline/strikeout format indicating what remarks are proposed.

The Court has set a telephone hearing on this matter on December 8, 2004, at 1:30. You will receive a notice of this hearing and if you have any questions concerning the changes to your water rights, you can attend that hearing by telephone to put your concerns on the record. If you have any questions, please call me at (208) 287-4810.

Very Truly Yours,
