PROTESTING WATER RIGHTS

Dear Sirs;

I am writing to protest the homestead water right # 22-13136 on Horse Creek by William^A Robinson. Mr. Robinson bought this place a few months ago. No one has lived on this place for 30 years, nor did anyone even look at the water.

I am the holder of the water right license # 22-07749, priority date 1988. We are the only ones that have been cleaning the waterway. Mr. Robinson's attorney told us that we cannot go on his property to clean it out. If we cannot do this and if he uses the water, we will not get much water.

This water is a small amount of water coming from a spring, that runs in a ditch 1 foot and 1/2 wide. If there is away we could get permission to clean this ditch out it would be greatly appreciated.

Sincerely,

Joe & Jerelyn Hill
