WESTERN REGION

1. Describe the portion of the proposed recommendation with which you disagree (e.g. priority date, period of use, source):

.010 CFS.

2. Describe the changes you wish to make in the proposed recommendation:

we would like to have at least .02 CFS which I understand is still less than .04 usually given to home + horse

3. Give a brief explanation as to why you disagree with these portions:

We have 3.44 acres. We would like to have the ability to irrigate all. We are irrigating 87 trees on the property now + irrigating more + more of the acreage with time in addition to

I AGREE with this proposed recommendation, no changes need to be made. ~~irrigating~~ plans to build a larger horse that would require more water than is presently used.
