RE: Snake River Basin Adjudication (SRBA) claim 29-11850

Dear Theron and Myrna:

The Idaho Dept. of Water Resources is currently in the process of reviewing SRBA claims in basin 29. My initial review shows you claimed use of Rapid Creek water for domestic and stock watering purposes. My review indicates that your address has changed since you filed claim 29-11850 in September of 1990.

If you still use water from Rapid Creek for domestic and stock watering purposes, you need to complete a change of address form so IDWR can change the records and ensure you continue to receive any important mailings regarding your water right.

Enclosed is the Change of Address form. Please complete the form and return it to this office as soon as possible.

I appreciate your prompt attention to this matter. Please feel free to contact me if you have any questions.

Respectfully submitted,

Craig L. Saxton
