Steve, I don't know where you intended to send the claims, but I need the Fed Reserved claim here at the IDWR State Office. In filing the Director's Report with the Court that happens from here in Boise, the original claims for Fed Reserved rights are a part of the Director's Report. I'll let you and Ernie work out where the state law claims go.

Thanks,

Don

I know you are just getting back from playing army. I left a voice mail message while you were out. I need 5 new water right numbers for Basin 29.

1 will be Federal Reserved for a well used at Summit GS near Malad Summit.

4 will be stockwater.

I'll also have 2 amended claims to send.

29-12485 amended from state law to federal reserved - surface water at Summit GS.

29-13111 amended quarter-quarters. It remains stockwater.

If you'll send 5 new numbers to me, I'll get these coming your way.
