THE AMENDED AND RESTATED DOROTHY CURTIS TRUST

THIS AMENDED AND RESTATED TRUST AGREEMENT is made this 3rd day of May, 2002, by DOROTHY J. CURTIS, as Grantor of the Dorothy Curtis Trust dated February 10, 2000. The Dorothy Curtis Trust is hereby amended and restated as set forth herein. Delene C. Covert shall remain as Trustee.

ARTICLE 1: CREATION OF TRUST

1.01 Initial Trust Estate. By this Agreement, Grantor assigns, conveys, transfers and delivers to the Trustee the property described in Schedule "A" attached hereto and the Trustee accepts such property as the initial trust estate. Such property shall be held IN TRUST and shall be administered and distributed upon the terms and conditions herein set forth.

1.02 Character of Property. The property described in Schedule "A" is the sole property of Grantor, except as otherwise may be noted in Schedule "A", and shall retain its character as such in the trust estate.

1.03 Additions to Trust. Grantor or any other person may from time to time transfer or devise additional property to the Trustee upon the terms of this Trust Agreement.

1.04 Name of Trust. The trust hereby created shall be known as THE AMENDED AND RESTATED DOROTHY CURTIS TRUST.

ARTICLE 2: ADMINISTRATION AND DISPOSITION OF TRUST ESTATE DURING GRANTOR'S LIFE

2.01 Powers Reserved by Grantor.

(a) Amendment. While Grantor is living, this Agreement may be amended in any respect by an instrument signed by Grantor and delivered to the Trustee.

(b) Revocation. While Grantor is living, the trust created by this instrument may be revoked, in whole or in part, by an instrument signed by Grantor and delivered to the Trustee. Upon revocation, the Trustee shall promptly distribute to Grantor all or the designated portion of the property comprising the trust estate.

(c) Scope of Powers. The powers reserved by Grantor under this Article are exercisable in Grantor's absolute discretion and neither the Trustee nor any beneficiary hereunder shall have any right or power to enforce or object to the exercise of such powers.

2.02 Distributions of Income and Principal.

During the lifetime of Grantor, the Trustee shall hold, manage, invest and reinvest the Trust Estate, collect the income therefrom, and pay to Grantor, or apply for Grantor's benefit, so much of the net income and principal as she may request or as the Trustee may determine to be necessary for her medical care, maintenance, support, and reasonable comfort in her accustomed manner of living.

ARTICLE 3: ADMINISTRATION AND DISTRIBUTION FOLLOWING DEATH OF GRANTOR.

Distribution to Family. Upon the death of Grantor, and after the payment of expenses and taxes as provided in Article 4, the property then comprising the trust estate that has not been effectively disposed of shall be distributed as follows:

- (1) The 1.83 acres (Tax Parcel No. RDCPD000201) north of my former home at 157 North Main in Downey, Idaho, including the shop building and access through the alley, I devise and bequeath to DEANNE CHRISTENSEN and DELENE COVERT, share and share alike.
- (2) Proceeds from the sale of the former Bob Morrison house at 156 N. 200 East and my mobile home at 142 N. 200 East (Tax Parcel RDDOW012400, Lots 12 and 13 plus 10' of Lot 11 Block 35, Township of Downey) I devise and bequeath to DEANNE CHRISTENSEN and DELENE COVERT to be set aside exclusively for them within this trust, in their names.
- (3) My interest in property identified as the Weston land, located in Section 16, 17, T12S R37E (Tax Parcel R4471009600), I bequeath and devise to my daughter DEANNE CHRISTENSEN. R4471010400, R4471005100, and R4471010000), I bequeath and devise to my daughter, DELENE COVERT.
- (4) The bequests made to each of my daughters in the above paragraphs are subject to the right of my son, ROBERT CURTIS, of first refusal to buy each of such places at the values appraised, and on such terms and conditions as are mutually agreeable to each of DEANNE CHRISTENSEN and DELENE COVERT.
- (5) My interest in the property identified as the Christensen Place, located in Section 2, T11S R37E (Tax Parcel Nos. R4433000500 and R4433000702), I bequeath and devise to DEANNE CHRISTENSEN and DELENE COVERT. My interest in the property identified as the Jones Field (Tax Parcel No. R4263021900) and the Davis

Field (Tax Parcel No. R4263021800), located in Section 35, T10S R37E, I bequeath and devise to the children of my son ROBERT GUY CURTIS, being CAROLYN CURTIS, GUY CURTIS, and CARL CURTIS, in Trust until each has reached the age of majority. My daughter DELENE COVERT shall act as Trustee of the Trust.

(6) The bequests made to the children of ROBERT GUY CURTIS are subject to the right of my daughters, DEANNE CHRISTENSEN and DELENE COVERT, of first refusal to buy any such properties at the values appraised, and on such terms and conditions as are mutually agreeable to the parties.

(7) The remainder of the trust estate shall be divided equally in three shares, one share to DEANNE CHRISTENSEN, one share to DELENE C. COVERT, and one share to the children of ROBERT G. CURTIS, being CAROLYN CURTIS, GUY CURTIS, and CARL CURTIS, equally.

(8) In the event any of the above trust beneficiaries predecease Grantor, their share shall go to their surviving issue by right of representation.

(9) JOY C. HADLEY is not provided for in this trust, as she received her inheritance during Grantor's life.

ARTICLE 4: PAYMENT OF EXPENSES AND TAXES.

Upon the death of Grantor, the Trustee shall pay (1) the expenses of Grantor's last illness, funeral and burial; (2) all inheritance, estate and other death taxes that may become payable by reason of such Grantor's death, and all unpaid income and gift taxes, and (3) the expenses of administering such Grantor's estate. Said expenses shall be paid before making distributions pursuant to Article 3.

ARTICLE 5: PROVISIONS RELATING TO DISTRIBUTION OF TRUST ASSETS

5.01 Distributions During Administration. During the period after the death of Grantor and before final distribution to the residual beneficiaries, the Trustee may distribute all, none or any part of the net income of the Trust Estate to those persons who would have been entitled to receive such income, and any powers herein granted to the Trustee to allocate income and invade principal shall be exercisable by the Trustee.

5.02 Distribution or Continuation in Trust. Any assets or shares of any trust that, by reason of a person's attained age or death or otherwise, would already have become distributable by the trustee of such trust if such trust had previously been established, shall be distributed upon their receipt by the trustee of such trust, or, if they have become distributable prior to the establishment of such trust, may be distributed directly by the trustee without requiring that such trust be established or that distribution be made by the trustee of such trust.

5.03 Distribution to Minors and Disabled Persons.

(a) Grant of Permissive Authority. If any property hereunder at any time vests outright under the provisions of this instrument in a minor or in a person who, in the judgment of the trustee, is unable to effectively manage or apply his estate to necessary ends, then the trustee, in its discretion, in any jurisdiction, without giving or requiring bond, without intervention of a guardian, conservator or other representative, and without supervision of any Court, may hold or distribute such property in accordance with Article 5.03(b).

(b) In Trust. The trustee may hold any protected property in a separate trust for such person, exercising as trustee of such trust all the administrative powers conferred in this instrument upon the trustee. The trustee shall pay to such person all, none or such part of the net income and principal of such trust as the trustee may in its discretion from time to time determine. Such trust shall terminate when such person attains majority and becomes able, in the judgment of the trustee, to effectively manage and apply his estate to necessary ends, or when such person dies, or when the trust assets are exhausted by discretionary distribution or otherwise. Upon such termination, the trustee shall distribute all property then belonging to such trust to such person or, if the trust terminates at such person's death, to the personal representative of such person's estate.

5.04 Discretion of Fiduciaries. Discretionary powers are exercisable in the discretion of the trustee and no beneficiary shall have any right or power to enforce or object to the reasonable exercise of such powers.

ARTICLE 6: TRUSTEE

6.01 Resignation of Trustee. Any Trustee may resign from office at any time by giving written notice, delivered in person or mailed to the last known address of Grantor and each beneficiary then receiving or who would then be eligible in the discretion of the trustee to receive the income of such trust, such resignation to be effective upon the acceptance of the Trusteeship by a properly designated substitute trustee. Notice shall be effectively given in the case of a beneficiary who is under a legal disability if given to the parent, guardian or other person or institution having custody of such beneficiary.

6.02 Substitute Trustee. Grantor intends that DELENE C. COVERT be the sole trustee. In the event DELENE C. COVERT becomes deceased or incapacitated, the substitute trustee shall be DEANNE CHRISTENSEN.

6.03 Powers of Substitute Trustees. Every substitute trustee shall have all the title, rights, powers, privileges and duties herein conferred or imposed upon the original trustee without any act of conveyance or transfer. No substitute trustee shall be obligated to examine the accounts, records and acts of any previous trustee or any allocation or any trust estate, nor shall such substitute trustee be required to proceed against a previous trustee for any act or omission to act on the part of such previous trustee.

6.04 Bonds Waived. Each trustee, including substitutes, shall be permitted to qualify without the necessity of giving a bond or other undertaking in this or any other jurisdiction for the faithful performance of such trustee's duties, or if any bond shall be required by law, statute or rule of Court, without the necessity of sureties thereon.

ARTICLE 7: POWERS OF BENEFICIARIES WITH RESPECT TO TRUST ASSETS

7.01 Disclaimer. Any beneficiary under this instrument may disclaim, in whole or in part, any gift, interest, right or power under this instrument. In the event of any disclaimer of any interest in any trust established under this instrument, the property to which such disclaimer is made, shall be disposed of in the manner provided in this instrument as though the person disclaiming had not survived.

7.02 Spendthrift Clause. Except as to Grantor's retained interests, no principal or income payable or to become payable under any trust established under this instrument may be assigned or encumbered by any beneficiary thereof, or be attached by or subjected to the interference or control of any creditor of such beneficiary or reached by any legal or equitable process in satisfaction of any debt or liability of such beneficiary prior to its actual receipt by such beneficiary.

ARTICLE 8: ADMINISTRATION OF TRUSTS

8.01 Administration of Trust. Each trust created by this instrument shall be administered free and clear from the active supervision of the Court having jurisdiction over such trust. This provision shall not limit the power of the trustee to take action for the judicial settlement of its accounts or the power of any beneficiary to bring suit for an accounting.

8.02 Administrative Powers of Trustee. In addition to the powers it would otherwise have by reason of any statute or rule of law, the Trustee shall have power, without prior authorization or approval of any Court, to do everything it shall consider advisable in the management of each trust created by this instrument, even though it would not otherwise be authorized for trustees under any statute or rule of law, including in this grant, without impairing its plenary nature, the following powers:

(a) Tax Elections. To make all elections and to take all other appropriate actions with respect to taxation of every kind applying to Grantor or the trust estate.

(b) Method of Payment. To pay or apply any money or other property payable to any person, including but not limited to persons under a legal disability, (1) through payment directly to such person, even though he may be under a legal disability; (2) to any parent, guardian, committee, conservator or other personal representative of such person, or to any adult person with whom such person resides; (3) through direct expenditure, for example, for the purchase of and payment of premiums on policies of insurance on the life of such person owned by such person or his conservator or custodian, or through payment to doctors, nurses, hospitals, schools or other persons or institutions supplying them with food, shelter, care or maintenance, or other goods, property or services of any kind, not limited to necessities; or (4) to any custodian of the property of such person, including custodians acting pursuant to the Idaho Uniform Gifts to Minors Act or similar statutes; and the receipt of any such payee shall be a full discharge for all property so paid or applied.

(c) Occupancy of Real Property. To permit any person having any interest in any trust to occupy any real property forming part of such trust upon such terms as the Trustee shall consider proper, whether rent free or in consideration of the payment of taxes, insurance, maintenance and ordinary repairs, or otherwise.

(d) Distribution in Kind. To make distributions in kind or in specific property, real or personal, or in undivided interests therein, or partly in cash and partly in such property or interests therein, even if shares be composed differently. Except as otherwise expressly provided, the trustee shall have absolute discretion in the selection of property to be allocated in satisfaction of any gift without regard to the income tax basis of such property and shall not be required to adjust the amount

of any gift in order to compensate for the income tax liability inherent in appreciated property distributed in kind in satisfaction of such gift.

8.03 Release of Powers. Every administrative power created by this instrument is releasable in whole or in part, temporarily or irrevocably. Any such release may be accomplished by a written instrument filed with the records of the trust or by any other method allowed by law.

8.04 Reports. Periodic reports shall be rendered by the trustee to each beneficiary eligible to receive the current income, showing the assets then held as the principal of the trust and all of the receipts, disbursements and distributions during the period. Such reports shall be rendered not less frequently than annually. Reports to any beneficiary who is under a legal disability may be rendered directly to such beneficiary or to any parent, guardian, committee, conservator or other personal representative of such beneficiary, or to any adult person with whom such beneficiary resides. The records of the Trustee with respect to each trust shall be open at all reasonable times to the inspection of the beneficiaries of such trust and their accredited representatives.

ARTICLE 9: CONSTRUCTIONAL RULES

9.01 Issue. "Issue" means all persons who are descended from the person referred to for purposes of intestate succession as determined under the laws of Idaho as those exist on the date of Grantors' death. However, for the purposes of the foregoing, an adopted person shall be considered as descended from the person referred to only if he had been adopted while under the age of 18.

9.02 Distributions by Representation. In every case in which any interest is given to the issue of a person, distributions (other than discretionary distributions of income and principal among the members of a class) shall be made by representation. Whenever a distribution to issue is to be made by representation, the distributable assets shall be divided into as many shares as there are, at the time such assets are distributable, then living children of such person and then deceased children of such person who left issue who are then living, even if at such time all children of such person are then deceased, and each living child of such person, if any, shall receive one share, and the share of each then deceased child shall be distributed to such child's issue collectively, such issue taking by representation the share which their parents should have taken if living.

9.03 Determination of Distributees. If under any provision of this instrument a distribution of any trust estate is to be made to the issue of any person, the trustee shall make distributions to

those persons whom it believes, after making such inquiry as it thinks reasonable, to be the persons so described, or if after making such inquiry it believes there is no such person, it may act upon such assumption. The trustee shall not be obliged to secure judicial ascertainment of the identity of such issue or the lack thereof and shall be immune from all liability which it might otherwise incur by reason of making distribution without the aid of judicial settlement of decree.

9.04 Court Decrees. All decrees of adoption of persons under the age of 18 when such decrees are rendered and all decrees of divorce at any time rendered by Courts of record shall be considered valid for all purposes of this instrument.

9.05 Child in Gestation. A child in gestation who is later born alive shall be considered as a living child throughout the period of gestation.

9.06 Trustee. Unless a contrary meaning or reference shall be expressly indicated or clearly implied from the context, the term "trustee" and the pronoun "it" in reference to trustee always refer interchangeably to the male or female person or persons or to the institution or any combination of them then acting as trustee of any trust established hereunder.

9.07 Governing Law. The laws of the State of Idaho shall govern all questions as to the validity and construction of this instrument and of all trusts created by this instrument.

9.08 Other Principles of Construction. Words in any gender shall be deemed to include the other genders; the singular shall be deemed to include the plural and vice versa; the words "pay" and "distribute" shall also mean assign and convey; and the table of contents, headings and paragraph titles are for guidance only and shall have no significance in the interpretation of this instrument.

IN WITNESS WHEREOF, the parties have executed this instrument on the day and year first above written.

Re: *Dorothy Curtis Trust/Water Right No. 29-4271*

Dear Candice and Ernie:

This will follow up on our discussions following the initial hearing on this matter April 22, 2004.

At the conclusion of our discussions, Ernie indicated that if we would submit a letter from Delbert Christensen setting forth his personal knowledge and observations concerning the irrigation practices, a SF5 Settlement Agreement could be entered into providing for this water right with the claimed April 1, 1940 priority date and a quantity of 0.35 cfs. The place of use will be identified based upon the map prepared by Delbert Christensen and attached to his letter.

Accordingly, I am enclosing a sworn letter signed by Delbert Christensen with attached map.

Also enclosed is a Form 42-248 Notice of Change in Water Right Ownership, together with our check in the amount of \$25 for filing fees. This is to reflect the Dorothy C. Curtis Trust is the

proper owner, in care of Delene C. Covert, Trustee. Delene C. Covert inadvertently filed the claim in this matter in her name individually, although her intent was to file as trustee of the Trust.

Based on this information, would you kindly prepare and forward a proposed SF5 Settlement Agreement. If you have any questions or need additional information, please contact me. Thank you for your cooperation and assistance in settling this matter.

Sincerely,
