**RE: Change in Address Form, Water Rights and Other Notices, State of Idaho
Department of Water Resources**

Dear Ms. Sherman:

As per our discussion yesterday, I have completed a IDWR "Change of Address" form for your consideration (see attached). Currently, all correspondence from your department is sent to Boise Cascade Corp., PO Box 476, Emmett, Idaho 83617. Please have all future Idaho Dept. of Water Resources water rights and all other surface water and groundwater notices sent to me at the address listed above. Boise Cascade will remain the owner—only the mailing address has changed.

Thank you for your assistance with this important matter. If you have questions please call me at 541.962.2057.

Sincerely,

Bart Barlow
Region Environmental Engineer

*T/c Bart 1-31-05. Doesn't
care what we call them —
he makes decisions on all H2O.
Passed by D. Shaff & D. Grindelle —
all records collapsed in
ICID — 50296.*

RE: Request for Change in Primary Contact Person/Mailing Address, Water Rights and Other Notices State of Idaho

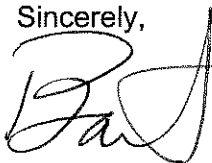

Dear Ms. Townsend:

The purpose of this letter is to make a formal request to the State of Idaho Water Resources Dept. to change the name and mailing address of the Water Right Claimant for Boise Building Solutions LLC. Currently, all correspondence from your department is sent to Boise Cascade Corp., c/o Derrick Crowther, PO Box 476, Emmett, Idaho. Derrick previously worked for me, but is now employed by URS Consulting, Inc., in Boise, Idaho.

Please have all future Idaho Dept. of Water Resources water rights and all other surface water and groundwater notices sent to me at the address listed above. If there is a specific form I must complete in order to formally request the name/address change discussed here, please mail a copy to me and I will complete the form and return it to you. Thank you in advance for your assistance with this important matter. If you have questions please call me at 541.962.2057.

*1-4-04 Called. Will send address
change form w/ all entities listed. p*

Sincerely,

Bart Barlow
Region Environmental Engineer
