

State of Idaho
License and Certificate of Water Right

Water License No. 21060

Amount 1.11 second feet

Water District No.

Priority April 13, 1949

THIS IS TO CERTIFY that VILLAGE OF DRIGGS, A Municipal Corporation
of Driggs, Idaho, made application for a permit to appropriate the
public waters of the State of Idaho, dated April 13, 1949; that Permit No. 21060
was issued under said application; that Certificate of Completion of works, with a carrying capacity of
1.11 second feet, was issued thereunder on July 15, 1950, showing that said works
were completed on the 21st day of April, 1950; and that on the 24th
day of October, 1952

VILLAGE OF DRIGGS

of Driggs, State of Idaho, made proof to the satisfaction of the
State Reclamation Engineer of Idaho, of the right to use the waters of a well

(subterranean flow) for the purpose of village water
supply, under Use Permit No. 21060 of the Department of Reclamation
and that said right to the use of said waters has been perfected in accordance with the laws of Idaho,
and is hereby confirmed by the State Reclamation Engineer of Idaho and entered of record in Volume

8 of Licenses at page 5121, on the 12 day of August, 1955;

The right hereby confirmed dates from April 13, 1949;

The Point of Diversion is located in Lot 1, Block 1, Driggs Townsite, located
in the NE 1/4, SE 1/4, Sec. 26, Tp. 5 N, R. 45 E., B. M. Teton County

That the amount of water to which such right is entitled and hereby confirmed, for the purposes
aforesaid, is limited to an amount actually needed and beneficially used for said purposes, and shall
not exceed 1.11 cubic feet per second.

Description and location of use:

Twp.	Range	Sec.	Forty-acre Tract	No. Acres Described in Permit	No. Acres Actually Irrigated
			Townsite of Driggs, Idaho		

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place
of use herein described, as provided by the laws of Idaho.

WITNESS the seal and signature of the State Reclamation Engineer, affixed at Boise, Idaho, this

12th day of August, 1955.

MARK R. FULL

State Reclamation Engineer.
