RE: Filing a New Snake River Basin Adjudication (SRBA) claim for a portion of decreed right 29-00449 from a Spring.

Dear Mr. and Ms. West,

Per my conversation with Dr. West, I am enclosing a new claim for use of Spring water on your property. Note that I left the acreage as 5 acres and at this time plan to recommend the full 5 acres. However, the acreage distribution per 40 acre tract will likely differ from what is listed on the claim.

Please look over the claim and initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it to this office with the filing fee of \$50.00 as soon as possible.

I will contact you when the preliminary recommendations are completed for your claims.

Please feel free to call me if you have any questions.

Respectfully submitted,
