~~NO LAWFUL APPROPRIATION SHOWN: There are a number of
circumstances in which a claim is proposed to be disallowed on this
basis. This is most commonly included for a claim based on beneficial
use or posted notice that is PROPOSED to be disallowed because the
right claimed is not within an exception to the mandatory permit statute,
and beneficial use of water prior to the mandatory permit statute was
not confirmed. This is also included where a claim is PROPOSED to
be disallowed because the claim is to water that is not public water
subject to appropriation. This is also included where a right was
determined not to exist in a prior adjudication.
