RE: Madison County Water Right Claims

Dear Mr. Millar:

The Idaho Department of Water Resources (IDWR) is returning the Madison County Notices of Claim to Water Rights and checks #89-01847 (\$50.00), #89-01848 (\$220.00), and #89-01849 (\$147.00) you sent, because of insufficient fees and information. All items and fees must be submitted correctly before the IDWR can process the claims.

Please correct the items listed below, and return the corrected forms to the IDWR within 45 days of the date of this letter. Failure to submit the form and filing fee within this 45-day period may result in forfeiture of your water right or an assessment of a late-fee.

- Insufficient Fee: The filing fee for an irrigation claim is \$50.00 plus \$1.00 per acre. The filing fee for the 1/2 acre irrigation claim is \$51.00
- Item #8: The consumptive use for irrigation in the claimed area is 2.5 acre-ft/annum per acre. Please check for completeness and accuracy.

If you have any questions, please call the IDWR at (208)-525-7161.

Sincerely,

Tony Olenichak
Water Rights Agent, SR
