To Idaho Department of Water Resource

Gentlemen:

This document will certify and attest that the undersigned, Errol W. Tibbitts, did assist Wayne E. Tibbitts, (President of Tibbitts Produce Co.) in placing a flume across the Breckenridge ditch which was flowing through the then Luella Pehrson property to enable Mr. Wayne E. Tibbitts to capture spring water and direct its flow to Tibbitts Produce Co.'s pasture land. I can also attest that this practice has been followed every year since 1965. This certification pertains to your civil case #39576, with identification #A22-10164 which was received by your agency on 7-11-88 and receipted by you as #E000680.
