RE: Water Right Claim Returned

Dear Sir:

The Idaho Department of Water Resources (IDWR) is returning your check #1603 and Notice of Claim to Water Rights because of insufficient information and fees. All items on the claim form must be correctly completed and fees submitted before the IDWR can process the claim.

Please complete or correct the claim form items identified below and return the form to the IDWR if you wish to enter your water right claim into the Snake River Basin Adjudication.

- Item #6: If you irrigate more than 1/2 acre of lawn, you must include "irrigation" purposes. The irrigation season is April 1 to November 1 and the standard amount is 0.02 cfs per irrigated acre (0.03 cfs per acre if total is less than 5 acres).
- Item #8: The consumptive use for irrigation is 2.5 acre feet per annum multiplied by the total acres.
- Item #9: Please describe the non-irrigation uses more specifically (in Item #14 if additional space is needed). For example: number of restrooms, acres irrigated, washing equipment, etc.
- Item #10: Indicate number of acres irrigated in the appropriate 1/4 of 1/4 Section, Township, and Range, if greater than 1/2 acre.

- Insufficient Fee: The filing deadline for Madison County was August 25, 1988. The claim was postmarked Aug. 29, 1988. A \$50.00 late-fee is assessed to each claim submitted after the deadline in addition to the regular fee. The regular fee is \$50.00, plus a variable fee of \$1.00 per irrigated acre and \$100.00 per cfs claimed for commercial purposes. Note: The variable fee will change from the claim originally submitted if Item #6 is modified. Please return the filing fee plus the late fee with the corrected claim.

If you have any questions or need assistance completing the form, please call the IDWR at (208)-525-7161.

Sincerely,

Tony Olenichak
