RE: Water Right Claim Returned

Dear Mr. Ballard:

The Idaho Department of Water Resources (IDWR) is returning your money order #16445 and Notice of Claim to Water Rights because of insufficient information and fees. All items on the claim form must be correctly completed and fees submitted before the IDWR can process the claim.

Please complete or correct the claim form items identified below and return the form to the IDWR if you wish to enter your water right claim into the Snake River Basin Adjudication.

- Item #2: The month/day/year must be entered. If you do not know the precise day, you must make an estimate or apply the last day of the year, i.e. Dec. 31, 1949.
- Item #3: The source of water supply must be entered. The source of water for a well is "groundwater".
- Item #8: The total consumptive use for one acre of irrigation is 2.5 acre feet per annum (domestic use is considered negligible). If you wish to claim some other amount, you must attach documentation (i.e. SCS data) supporting the claimed amount.
- Insufficient Fee: The filing deadline for Madison County was August 25, 1988. The claim was postmarked Aug. 26, 1988. A \$50.00 late-fee is assessed to each claim submitted after the deadline in addition to the normal fee. Please submit the ~~\$75.00~~ fee if you resubmit the claim.
\$101.00 ?

If you have any questions or need assistance completing the form, please call the IDWR at (208)-525-7161.

Sincerely,

Tony Olenichak
