RE: Extension of Time

A22-12339

Dear Mr. Ballard:

Enclosed is the Request for Extension of Time to File an Adjudication Claim, requested 12/2/88. If the \$50.00 late-fee is to be waived, you must attach an approved extension of time to your water right claim when you return it to the Idaho Falls office.

You must complete the request and send it to Boise for either approval or denial. The address is:

Dept. of Water Resources
1301 North Orchard St.
Statehouse Mail
Boise, ID 83720

You must explain why an extension of time is requested as you explained to me on the telephone on 12/2/88. I have attached a copy of my 11/29/88 letter, however, I could not find any earlier correspondence you referred to in our telephone conversation.

Once the Boise office has contacted you, if the request is approved, please send the claim to the Idaho Falls office along with the regular filing fee. If the request is denied, the claim must contain the regular filing fee plus the \$50.00 late-fee.

Sincerely,

Tony Olenichak
Water Right Agent, SR
