Identify water right(s) for which extension is requested

State reason(s) why an extension of time is requested:

I had talked on the phone a couple times with your office trying to work out all of the details of my residence. I had no intention of not filing and

I did not procrastinate the filing. My first problem was the large lawn which I visited with the people on the phone with. One said I had to pay \$50.00 another said just \$25. I figured the fifty. Then I did not have the property grid correct and claimant requests an extension to 12/16, 1988.

I feel with the efforts I made that the fine for late is not justified in my case. I will return the claim immediately upon hearing from you. I visited with you one that.
