RE: Snake River Basin Adjudication (SRBA)
Change of Water Right Ownership

Dear Water User,

We are returning the *Notice of Change of Water Right Ownership* form for the above-referenced claim. Please obtain the required information and/or documents and re-submit the form for further processing. The missing information is outlined below:

- ☐ Copy of deed, title policy, contract of sale or other legal document indicating your interest in the property and water rights in question
- ☐ Legal description of the property
- ☐ Plat of property or survey map.
- ☐ USDA Farm Service Agency (FSA) aerial photo with irrigated acres outlined and point(s) of diversion clearly marked
- ☐ Fee required for water rights that have received Partial Decrees.
- ☒ Please sign the form. Both Thomas and Carol must sign.

In addition, all of the water rights or claims listed on the form are for property in Section 3, T22N, R22E. You have apparently purchased property in Section 8. Please review this discrepancy and supply the correct water right numbers. You may contact either Bob Foster or myself for assistance. You can reach Mr. Foster in Salmon at (208) 756-6644.

Please return this information, along with the form, as soon as possible. **Any delay in updating your ownership may cause important correspondence concerning your water rights to be sent to a previous owner.** Please call me at (208) 287-4914 if you have any questions.

Thank you,
