Dear Sirs:

In response to your letter
of Nov 19, concerning priority
date to our water claim
No. A 29-04180.

I'm sending you a copy of the
papers I have.

As far as my knowledge goes,
we were the first and only
one to file on this water.

You have it printed as Beach
Creek. This is not a creek.
It's known as Beach Hollow.

The spring run of comes
down through this hollow
and the first place it hits
is the Lava Irrigation Canal
that runs through the middle
of the ground listed. We
used it for irrigation at the
dates listed on record.

I hope this is what information
you need.

Thank You ..

Mrs. Lola Trick
Lava Hot Springs, Idaho.
