INSTRUCTIONS

This form must be used to file an objection to any water right recommended in a Director's Report. Forms may be obtained from the SRBA Court, the Idaho Department of Water Resources (IDWR) or you may copy or reproduce this blank form. If you copy or reproduce this form, please copy on both sides with the even-number pages upside down.

The water right number you are objecting to must be indicated above in the blank space following "Subcase." To object to multiple water right recommendations, you must use a separate form for each objection and there must be only one objector for each form.

You must file your objection by the deadline shown in the notice that IDWR mailed to you. The objection must be received by the court on or before the deadline specified. Instructions for mailing this objection are found at Page 6, and must be strictly followed.

This form has been adopted by the court in *SRBA Administrative Order 1, Rules of Procedure* (amended Sept. 30, 1996), Section 4, which may be consulted for further information.

Any party physically filing 25 or more objections must contact the Clerk of the SRBA Court no later than 14 days before the filing deadline and arrange an appointment to file multiple objections.

By filing an objection form, you are certifying that the objection is well-grounded in fact; that it is warranted by existing law or a good-faith argument for the extension, modification or reversal of existing law; and that it is not filed for any improper purpose, such as to harass, cause unnecessary delay or needlessly increase in the cost of litigation.
