Re: Snake River Basin Adjudication (SRBA) claims; 29-04143 amended, 29-13435 new

Mr. Brim:

Enclosed you will find two SRBA water right claims, as referenced above, for your property near Downey, Idaho.

You should note 29-04143 has been amended to add one acre, correct season of use (to Department Standards) and quantity has been increased to accommodate 1"/ac, pursuant to §42-202 and 42-220 IC.

In addition, I have created 29-13435 claiming the waters of an unnamed stream (locally known as Spring Creek). This claim is also for the same 15 acres. Water quantity and season of use are also consistent with the above reference.

You should note, I have taken the liberty of adding a stock water component to both claims. If you do not want stock water please line through the entries and initial. There is no charge for this addition.

I have also enclosed three aerial photographs that we use to conduct our investigations. One shows ownership of parcels in the immediate area. Another shows the irrigated acres and boundary I have determined by field exam, and the last, shows the area in greater scale. All of these photos are yours to keep if you so choose. However, if there are errors with either of the enclosed claims please correct the error in ink, initial the change and return with supporting evidence. Please correspond with me directly regarding your claims and/or changes to them.

We are pushing the deadline for completion by the end of this month. Please sign the claims as indicated and return them promptly to my attention with your check for \$101.00.

I am enclosing a Change of Address form since you are displaced from your Downey address and will be unable to attend the public meetings designed to address problems with recommendations prior to the court process. Once you return to

Idaho you can submit another change of address to your Downey address. However, if you currently have a U.S. Mail forwarding process in-place and prefer not to change your address please disregard this form.

I look forward to your timely response. Should you have questions regarding this matter please feel free to contact me. I have enclosed a business card for your convenience, if you have e-mail feel free to e-mail me.

Respectfully submitted,

Allen B. Ruberry
Sr. Water Resource Agent
Adjudication Bureau
