Notes: Junction point where Irrigation pipe splits. **POU** and truck in background.

Greenway hits red light

Journal photo by Doug Lindley

Brad Christensen is a landowner along the levee which the city proposes to be part of the Portneuf Greenway. Christensen fears it could destroy residents' privacy and ruin the area for nesting geese and many other animals.

Landowners vow to fight path's progress

Journal photo by Doug Lindley

A new mother goose tries to hide down with her new goslings in a nesting box along the Portneuf River on the proposed Portneuf Greenway trail.
