

5-25-02 : NO Priority Evidence
called

: Property is only 6.7 acres. No measurement needed
: NCO - to Amy - spoke to Amy
Ronnie Boyd Holland
9195 W Caribou Rd → DO 2407
Pocahontas IA 83204 83206
233-8742

: Two Years - Since own Property - No use of water
Since they owned Property
: moved in after 1988 - Neighbor
: doesn't look like this is Valid - but send
NCO anyway.

: Domestic 29-10006 - PD'd

: Parcel only 6.6 acres - no measurement

5-29-02 : Stopped By Home and No one there. Give Call
to Amy to set up Appointment

: NO Signs of Irrigation. Picture taken of Pasture

6-24-02 : Ron Holland Called Concerning NCO sent to
Amy. I didn't know what Right he was speaking
of specifically so He was going to find the
letter and have Amy call me back.

Ron's Cell is 251-0700 cell.

6-25-02 : Ron called and left message @ Eastern, His Ph is
233-8742. 29-04059 = WR.

Frank (met with Ron @ his home)

: Rollinger - Ron the Joint prior to Hollands owning Property

: Gave Ron a C/O form and told him I would
disallow claim w/o Evidence But should still
File C/O for Domestic Right.

9-11-02 : Letter of historical use Received. States that Morris Dayley remembers Irrigation of the Claimed POU as far back as he can remember. Affidavit From Morris Dayley Found in Claim 29-10598 states that Morris Dayley moved into area in 1937.

Based on this Info - Priority date Claimed is Good.

: Need to locate AOD.

1959 or 1960

* Jenn Lowery was last one to put water on the place in mid 80's.

* Bollinger Pumped out of river with Gas Pump

: AOD Determined By speaking with Morris Dayley a long time resident of the area that used to farm the Claimed POU.

: Recommend Claim based on Morris Dayley's statements

12-2-02 : Priority: Good - See 9-11-02 notes
