Re: SRBA Claim No. 29-4242

Dear Claimants:

I received your letter dated November 15, 2002, with regards to Water Right No. 29-2167; however, the Department's prior letter dated October 15, 2002, was in regards to Water Right No. 29-4242. Claim No. 29-4242 does not have any evidence to support the 1901 priority date that has been claimed. Without such evidence, the water right will be recommended as disallowed as discussed in my prior letter.

When I spoke with Mr. Bloxham on the phone a couple of weeks ago, he indicated that you have copies of homestead documents showing when the property under water right 29-4242 was purchased and homesteaded. It is this kind of information that would be helpful when assessing the appropriate priority date for that water right.

If you have any further questions with regards to Water Right No. 29-4242, please contact me at 208-327-5404 or contact agent, Allen Ruberry, at the Eastern Regional Office at 208-525-7161 directly. Again, thank you for your prompt attention to this matter.

Sincerely,

CANDICE M. MCHUGH
Deputy Attorney General
