REF: CLAIMS A29-4208, A29-4213, A29-4214, A29-4369

DEAR CLAIMANT (S):

This fall I wrote you requesting additional information or documentation of the use of this water right. I need this information to make an accurate recommendation to the court in the Snake River Basin Adjudication. These rights have never been confirmed by a court decree or by a department investigation; we need documentation that the water uses were developed prior to March 25, 1963 (ground water source) or May 20, 1970 (surface water source).

Please refer to the letter and pamphlet sent in September, and provide documentation. Remember that affidavits must clearly identify "first person" knowledge (I did..., I saw...) and clearly state when the use of water was first seen by the person.

Feel free to contact me at our new satellite office in Soda Springs at 547-3993 if you have any questions.

Sincerely;

Cindy E. Bird
Adjudication Bureau
