RE: Amended Snake River Basin Adjudication Claim 29-04207B

Dear Mr. and Mrs. Payne,

After our phone conversation today, I came across some additional information that would allow me to recommend an additional acre of irrigation for Russell and Teresa's property. 29-04207B is a claim for 3 acres of irrigation from statutory claim 29-04207. From the aerial photography I found 4 acres of irrigation. Based on the original statutory claim filed I can recommend that additional acre of irrigation. However, to do so, the claim needs to be amended.

Enclosed is an amended claim for 4 acres of irrigation. Please look over the claim and initial any changes you wish to make. When satisfied, sign the claim in front of a notary and return it to this office as soon as possible.

I apologize for the inconvenience, but feel it would be to your benefit to take these steps to secure the 4 acres of water right. Please feel free to contact me at 525-7161 if you have any questions.

Respectfully Submitted,

Craig L. Saxton
