Re

Change in Ownership of Notice of Claims

Gentlemen,

Enclosed is a change in ownership of Notice of Claim for water right numbers A22-00298C, A22-00299C, & A22-00300A. It reflects the fact that the previous claimants, Dee & Jean Ripplinger sold their property, with water rights, to the new claimant, my client, Horseshoe Creek Association, Inc.

Please file the change of ownership notice & contact me if you have any questions.

Thank you,
Neil C. Johnson
