Candice M. McHugh

Deputy Attorney General, IDWR

Boise, Id 83720-0098

Dear Ms McHugh,

From your letter dated March 3, 2005 it sounds like we could have saved time and money by agreeing to March Valley Development's first complaint.

Not sure why we were asked our opinion or if we agreed to the drafts of November 2004 or February 22, 2005.

Once again big business wins if we agree to the latest proposal.

Sincerely,

Barbara H. Kevan
