Dave:
I noticed that Sharon will
be gone a few days and I
know she's still working on
the pond info. Didn't see
any rush on this so I
mailed rather than FAXed.
The map should be more
legible this way.

Dear Dave:

As I compared our previously submitted Humphrey water claims with an irrigation map our Ranch Manager recently helped complete, I found several errors. In addition to acreage and location adjustments, I found at least one duplication and an addition error resulting in an impossible acreage in a quarter quarter. Correct area descriptions are listed below. Attached is a map which I hope is understandable via the FAX process.

I hope it isn't too late to make these corrections. Please call if you have questions (208) 374-5306. Your help is appreciated.

Sincerely,

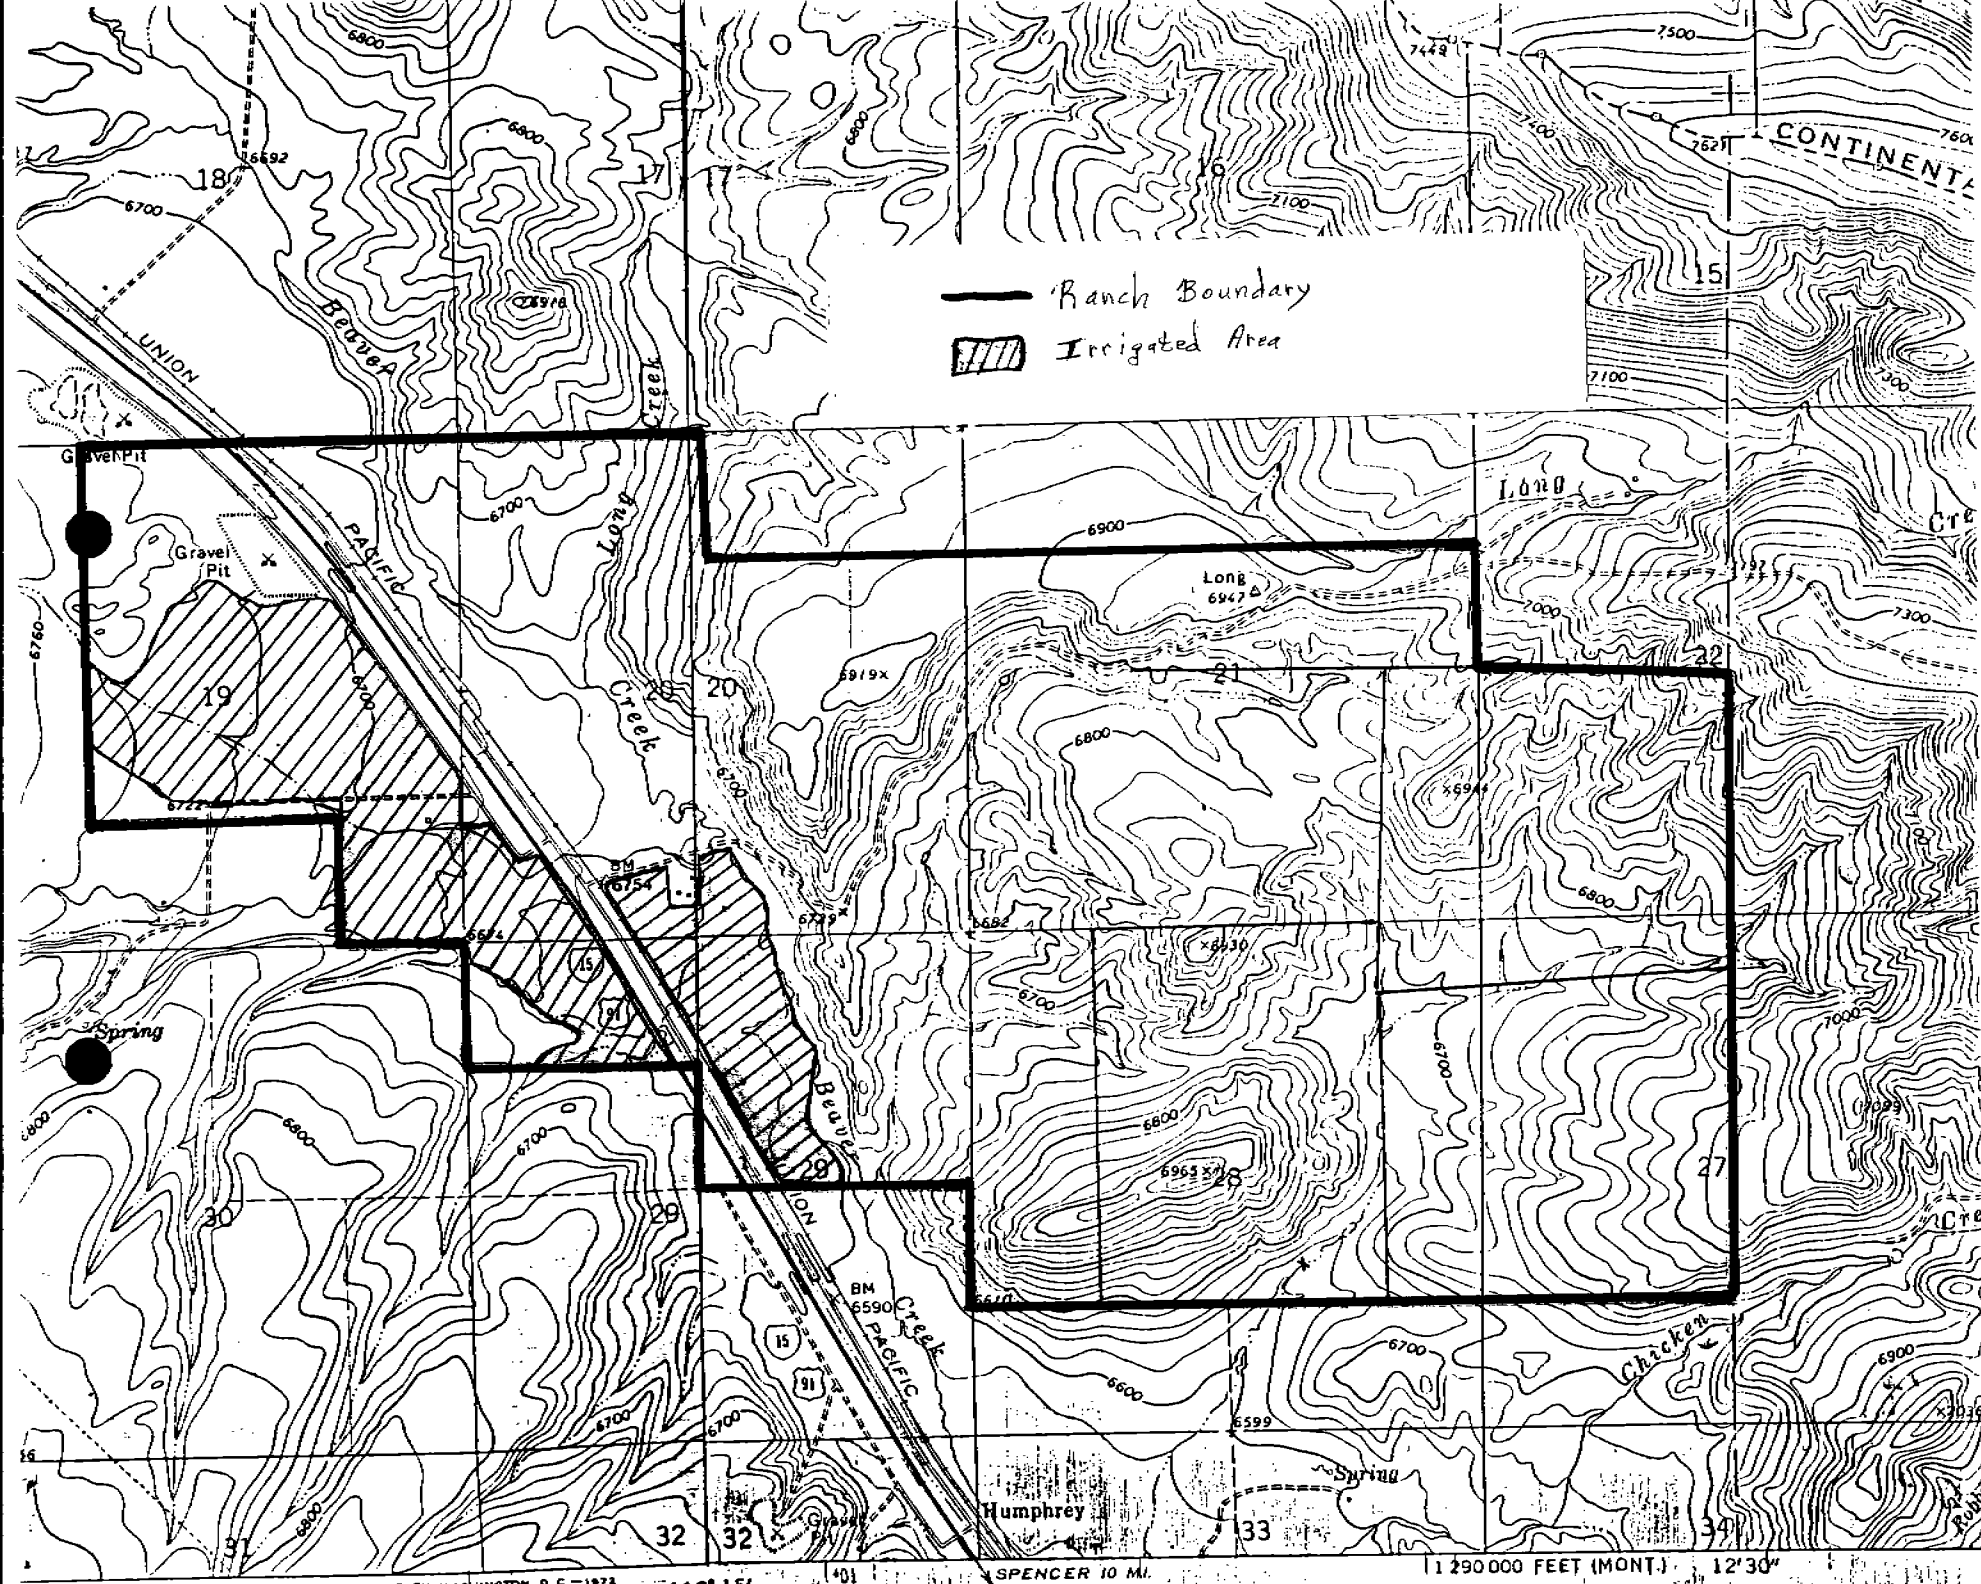

M. Quinn Jacobson
