Re: Request for Evidence of Use of 31-00066C and 31-00067C

Dear Claimant:

On or about July 31, 2000, you were mailed a letter requesting some type of evidence that you had exercised the (above referenced) water right to which you have a claim in the on-going Snake River Basin Adjudication. This request made specific reference to Idaho Code 42-222, paragraph 2 which states, "All rights to the use of water... shall be lost and forfeited by a failure for the term of five (5) years to apply it to beneficial use for which it was appropriated..."

As of the date of this letter, we have not received your declaration of use of the claimed water right referenced above. Because no declaration has been received the claim to a water right will receive a Disallowed recommendation to the SRBA court.

You are responsible to provide evidence supporting your claim to a water right. If you intend to pursue a favorable recommendation and thereby avoid forfeiture, please provide evidence of water use and delivery during the years of 1977 to 1987, by October 10, 2000. **This letter of request is your final notice.**

If you no longer own the property appurtenant to the above referenced claim, please contact our office so we can notify the current owner of this important matter.

Respectfully submitted,

Allen B. Ruberry
Sr. Water Resource Agent
Adjudication Bureau

RE: EVIDENCE TO SUPPORT BENEFICIAL USE OF SNAKE RIVER BASIN
ADJUDICATION (SRBA) CLAIM(S) A31-00066C, A31-00067C

Dear Mr. Jensen:

The Idaho Department of Water Resources is reviewing SRBA claims in the Kilgore area of Basin 31. Our office conducted a field exam of the above referenced claim(s) but failed to find evidence of beneficial use. Idaho Code 42-222, paragraph 2 states, "All rights to the use of water . . . shall be lost and forfeited by a failure for the term of five (5) years to apply it to the beneficial use for which it was appropriated . . . "

To avoid forfeiture, please provide evidence of water delivery and payment of the water district assessment prior to 1987. This proof must be provided within 21 days of receipt of this letter to avoid a disallowal recommendation to the Snake River Basin Adjudication court.

If you no longer own the property appurtenant to the above referenced claim, please contact our office so we can notify the current owner of this matter.

Sincerely,

For Allen Ruberry
Senior Water Agent
