RE: Snake River Basin Adjudication (SRBA)
Jefferson County - Jefferson Irrigation Company Claims

Dear Mr. Bare:

This office has been reviewing the Jefferson Irrigation Company notices of claim and water right files while trying to sort out the wells by number and location.

I would appreciate any information you might have on the current well numbering system, the well locations to the nearest 10-acre tract. and the pump and motor information.

I am enclosing a form that shows the information we have been able to assemble from the claims and water right files. There are blanks for you to fill in from your records if they are different than what we have.

Any help you can give us would be greatly appreciated. If you have any questions, please contact me at 208/327-7935 or leave a message for me at 1/800-451-4129 in Boise.

Sincerely,

Erik Norquest
