Re: Amended claim A31-00215B and Partial Decrees

Dear David:

Thank you for the telephone call this morning. Our discussion was very helpful in determining the accuracy of the use of the above referenced water right. As Discussed, I have amended the claim to show only 'in-stream' stockwater from unnamed streams. With this amended claim I have attached a GIS display of the claimed use. Please review it carefully. Should you have questions or corrections please make them in ink, both, on the claim and on the GIS photo. This claim must be signed before a Notary Public. There are no associated fees for this amendment.

In addition, we discussed the other stockwater claims for this same general area. For your convenience, I have enclosed copies of the Partial Decrees already issued with a GIS depiction of both.

You also mentioned claims for the ditch running from Frederiksen's field into the SE ¼ of your Section 19 field, and the part of East Camas Creek running through the NE corner of your property. I have made a query of those areas and find no claim(s) in your name. Should you wish to file additional claims on those area please contact me.

I have also enclosed a Change of Address form per your request.

Again, thank you for your attention in this important matter. Please call if you have questions.

Respectfully submitted,

RE: EVIDENCE TO SUPPORT BENEFICIAL USE OF SNAKE RIVER BASIN
ADJUDICATION (SRBA) CLAIM(S) A31-00215B

Dear Mr. Nelson:

The Idaho Department of Water Resources is reviewing SRBA claims in the Kilgore area of Basin 31. Our office conducted a field exam of the above referenced claim(s) but failed to find evidence of beneficial use. Idaho Code 42-222, paragraph 2 states, "All rights to the use of water . . . shall be lost and forfeited by a failure for the term of five (5) years to apply it to the beneficial use for which it was appropriated . . ."

To avoid forfeiture, please provide evidence of water delivery and payment of the water district assessment prior to 1987. This proof must be provided within 21 days of receipt of this letter to avoid a disallowal recommendation to the Snake River Basin Adjudication court.

If you no longer own the property appurtenant to the above referenced claim, please contact our office so we can notify the current owner of this matter.

Sincerely,

Jennifer Crabtree

The attached Notice A31-00215 has disappeared from the data base. However because the parent right has been split it needs to be data entered under No. A31-00215 B, and receipt No. 8001921 changed to reflect this new number.

Then bring 31-00215 over from WR. using A31, and give it receipt No. X777 etc. with "Z" status.

Enter it as a "split right." With the following remarks:
