RE: Waiver of filing fees for A31-02278E,
and A31-02334C thru A31-02334F

Park Bell initially filed a single notice on each license listing the licensed place of use of the same 960 acres on both notices.

After Mr. Bell passed away, his heirs submitted a change in ownership splitting the two rights so each heir received a portion of one of the licenses. The six new notices reduced the acreage under each right so there was no overlap (see Attachment A).

In September, 1994, Betty Adkins contacted me about modifying the notices again. To accomplish the change seven notices had to be amended and five new notices generated (see Attachment B). Because the variable fee for all the property had already been paid and the new notices essentially recorded ownership changes, no fees were assessed for the new notices. The "no fee" decision was reached during a telephone conversation with Carter Fritschle, WR Supervisor, in Boise.
