See file A31-10699 - No overlap of claimed POU.

Note that NWMD exam Q is questionable. Examiner measured 1 full piv + 1 mini pivot. Expected min Q = 900 + 200 = 1100. Expected max Q = 1200 + 500 = 1700 GPM. Technician reported 2942 GPM. Likely instrument was "cycle skipping." Nearby PCC's are ≈ 615 (7136), 673-697 (23654), 622 (7093). Average ≈ 652 .

PCC formula: $PCC = \frac{KW \times 5431}{GPM} \rightarrow GPM = \frac{KW \times 5431}{PCC}$ Using examiner's

*finding of 144 KW yields $GPM = \frac{144 \times 5431}{652} \approx 1200 \text{ GPM} \approx 2.67 \text{ cfs}$
on approx 210 acres $\frac{2.67}{210} \times 30 \approx 0.38 \text{ cfs}$.*

Re: QNT remark, Enlargement

Right 31-10699 is claimed and recommended as an enlargement of 31-07093, 31-07136, 31-07137, and 31-07138. Because it is not delivered out of the same well as these rights, and because the delivery systems are not interconnected, the usual combined and individual POU limitation remarks are not used.

Because 31-02365A, 31-02365B, and 31-02374D are diverted out of the same diversions as either 31-10699 or the rights from which it is enlarged, all these rights are included in a QNT combined diversion rate limitation remark. The limited quantity (11.58 cfs) is the sum of the recommended diversion rates for all these rights. NWMD records show an approximate combined capacity of 13.7 cfs for all the systems.

31-10699 was originally proposed for disallowal because additional diversion capacity was developed along with the enlargement. Per consultation with Assistant Attorney General Candice McHugh, this claim is recommended and the claimant is invited to apply for a permit for the additional diversion rate.

I thought I put a memo about this in the file already, but no can find.

Cindy Hodges measured 2900 GPM which is impossible. Ought to be about 1200.

Using PCC of 650 & measured KW, theoretical points right at 1198 gpm. Neighboring wells are all in the neighborhood of 600 - 650 so I think this is a good number

$$PCC = \frac{KW \times 5431}{GPM} = \frac{143.9 \times 5431}{1198} = 652$$

$$GPM = \frac{KW \times 5431}{PCC} = \frac{143.9 \times 5431}{650} = 1202$$

Re: Competing Claims, Ownership Review

Description

Original WR 31-02365 covered 480 acres in sections 28, 29, and 30 of 8N 37E. Competing claims A31-02365A (Walker, 1989, 130 acres), A31-02365B (Walker, 1989, 30 acres) and A31-02365C (Larsen, 480 acres, 1992) were filed based upon this WR.

Transfers 4687 and 4688 split the underlying water right into B, C, and D. The Larsen claim was split into D, E, and F.

Analysis of Claims

The attached analysis indicates that the competing claims fall into two classes:

A. Claims corresponding with POU of post-1987 formal transfers.

The Larsen claims "D" and "E" correspond to the WR splits "B" and "D," moving POU and POD to new locations. There is no apparent conflict with Walker Claims.

Larsen claim "F" and Walker claim "A" compete for parts of the original WR, on the original POU.

B. Claim not corresponding with POU of post-1987 formal transfers.

Walker claim A31-02365B is for 30 acres in NESW of section 28. This tract was not included in the original license nor in any of the post-1987 transfers.

Ownership Review

Ownership of claims "D" and "E" was not investigated because of no apparent conflict. A review of the 1995 tax notices in the WR microfiche and a phone call to the Fremont

County Assessor indicate that Walker owns the POU of all the Walker claims. Larsen appears to own the POU of the non-competing parts of his claim "F."

Conclusions

A31-02365A, Roland Walker

Proceed with CVR review and recommend as appropriate, based on Walker's ownership of POU. This will only be a portion of WR split "C."

A31-02365B, Roland Walker

~~Disallow~~, based on the fact that the claimed POU is described neither in the license nor in the post-1987 transfers. *Per Ernie, complete CVR. Transfer review not binding on unchanged portion of WR - Bar 3/10/2000*

A31-02365D, Blaine Larsen

A31-02365D, Blaine Larsen

Recommend to Al Ruberry that he continue w/ CVR review, based on lack of apparent conflict & post-1987 transfer.

A31-02365F, Blaine Larsen

Proceed with CVR review and recommend as appropriate those parts of WR split "C" not recommended to Walker.

In the files is a memo about conflicting claims between Walker and Larsen. Today I called the courthouse and researched ownership, it looks like all the conflict is in the splits that fell in my area and you are clear to sail on these two in your area.

Walker of Jefferson County, State of Idaho, as my attorney in fact and agent (subsequently called "agent") to act in my name and for my benefit. I grant to my agent full power and authority to do everything necessary in exercising any of the powers herein granted as fully as I might or could do if personally present and fully competent, hereby ratifying and confirming all that my agent shall lawfully do or cause to be done by virtue of this power of attorney and the powers herein granted.

1. General Grant of Power.

My agent shall have power to exercise or perform any act, power, duty, right or obligation whatsoever that I now have or may hereafter acquire, relating to any person, matter, transaction or property, real or personal, tangible or intangible, now owned or hereafter acquired by me, including, without limitation, the powers specifically enumerated in this instrument. Generally, my agent shall have power to do and perform all matters, transact all business, and make, execute and acknowledge all contracts, orders, deeds, mortgages, leases, assignments, assurances, and instruments of every kind which may be requisite or proper to effectuate the purposes of this general power of attorney.

2. Specific Powers.

Without in any way limiting the generality of the power and authority conferred upon my agent by this instrument, my agent shall have and may exercise each of the following specific powers:

(a) Power to Acquire and Sell. To acquire, purchase, exchange, grant options to sell, assign, release, convey, mortgage, hypothecate, lease and accept and take possession of real and personal property and interests therein, both tangible and intangible, upon such terms, conditions and covenants as my agent shall deem proper and to sign, seal, execute and deliver and acknowledge such deeds, leases, contracts, assignments, indentures, agreements, mortgages, deeds of trust, bills of sale, security agreements and related forms, exchange agreements, bills, bonds, notes, receipts, releases and satisfactions of mortgages, security interests and judgments and such other instruments in writing as shall be proper.

(b) Borrowing and Banking Powers. To borrow moneys on my behalf and to sign, seal, execute, deliver and acknowledge on my behalf such promissory notes, bills, bonds, or other evidence of indebtedness and such mortgages, deeds of trust, security agreements, pledges, or other documents to secure the payment of borrowed funds as my agent shall deem proper. To make, receive and endorse checks and drafts, deposit and withdraw funds, acquire and redeem certificates of deposit, in banks, savings and loan associations and other financial institutions, and to release such mortgages, deeds of trust, or other security instruments as may be necessary or proper in the exercise of the rights and powers herein granted.

(c) Powers of Collection and Payment. To forgive, request, demand, sue for, recover, collect, receive and hold all sums of money, debts, dues, commercial paper, checks, drafts, accounts, deposits, legacies, bequests, devises, notes,

interests, stock certificates, bonds, dividends, certificates of deposit, annuities, pension, profit sharing, retirement, social security, medicare, insurance, and other contractual benefits and proceeds, all documents of title, all property and property rights, real or personal, intangible and tangible, and demands whatsoever, liquidated or unliquidated, now or hereafter owned by, or due, owing, payable or belonging to me, or in which I have or may hereafter acquire an interest; to have, use, and take all lawful means and equitable and legal remedies and proceedings in my name and for the collection and recovery thereof including the enforcement of mortgages, deeds of trust and security instruments, and to adjust, sell, compromise, and agree for the same, and to execute and deliver for me, on my behalf, and in my name, all endorsements, releases, receipts or other sufficient discharges for the same. To pay and discharge all debts and demands due and payable or which may hereafter become due and payable by me to any person or persons whomsoever.

(d) Management Powers. To maintain, repair, improve, invest, manage, insure, rent, lease, encumber, partition and in any manner deal with any real or personal property, tangible or intangible, or any interest therein, that I now own or may hereafter acquire, upon such terms and conditions as my agent shall deem proper, and to transfer any or all of my assets to the trustee of any revocable living trust which I may have created.

(e) Motor Vehicles. To apply for a certificate of title upon, and endorse and transfer title to, any motor vehicle, and to represent in such transfer assignment that the

title to said motor vehicle is free and clear of all liens and encumbrances except those specifically set forth in such transfer assignment.

To have access at any time or times to any safe deposit box rented by me, wheresoever located, and to remove all or any part of the contents thereof, and to surrender or relinquish said safe deposit box, and any institution in which any such safe deposit box may be located shall not incur any liability to me or my estate as a result of permitting my agent to exercise this power.

3. Revocability.
