RE: Telephone message

=====

A telephone message was left on my phone today by Todd Hansen, Regional Manager of Lend Lease Agri Business in answer to my letter of April 11, 2001 requesting a Security Interest filing fee of \$2,675.00 for 107 miscellaneous Blaine Larsen water rights.

Mr. Hansen stated that Lend Lease Agri Business has decided **NOT** to pay the fee. They understand that there will be no database update, but that copies of their December 8, 2000 correspondence will be placed in each file.

Jeff Peppersack has requested that a copy of this memo be placed in each file along with the Lend Lease correspondence.

Memorandum

Date: 5-19-00

Subject: 31-07024, discrepancy between WR and AJ databases.

From: Craig L. Saxton

AJ Side:

A31-07024 got split by a change of ownership according to comments in AJ database. I can find evidence of a change of ownership where Mitch Jacobs sold part of his land to Blaine Larsen, March 24, 1995. However, in the request for the ownership change, Blaine Larsen specifically requests A31-07024A to be changed to his name. This makes me think it was split before the Larsen/Jacobs transaction. The only evidence showing the previous change of ownership that originally split the claim is a remark in A31-07024, by CLF 8-17-92, that states the split sum diversion rate is now claimed over the original licensed amount.

WR Side:

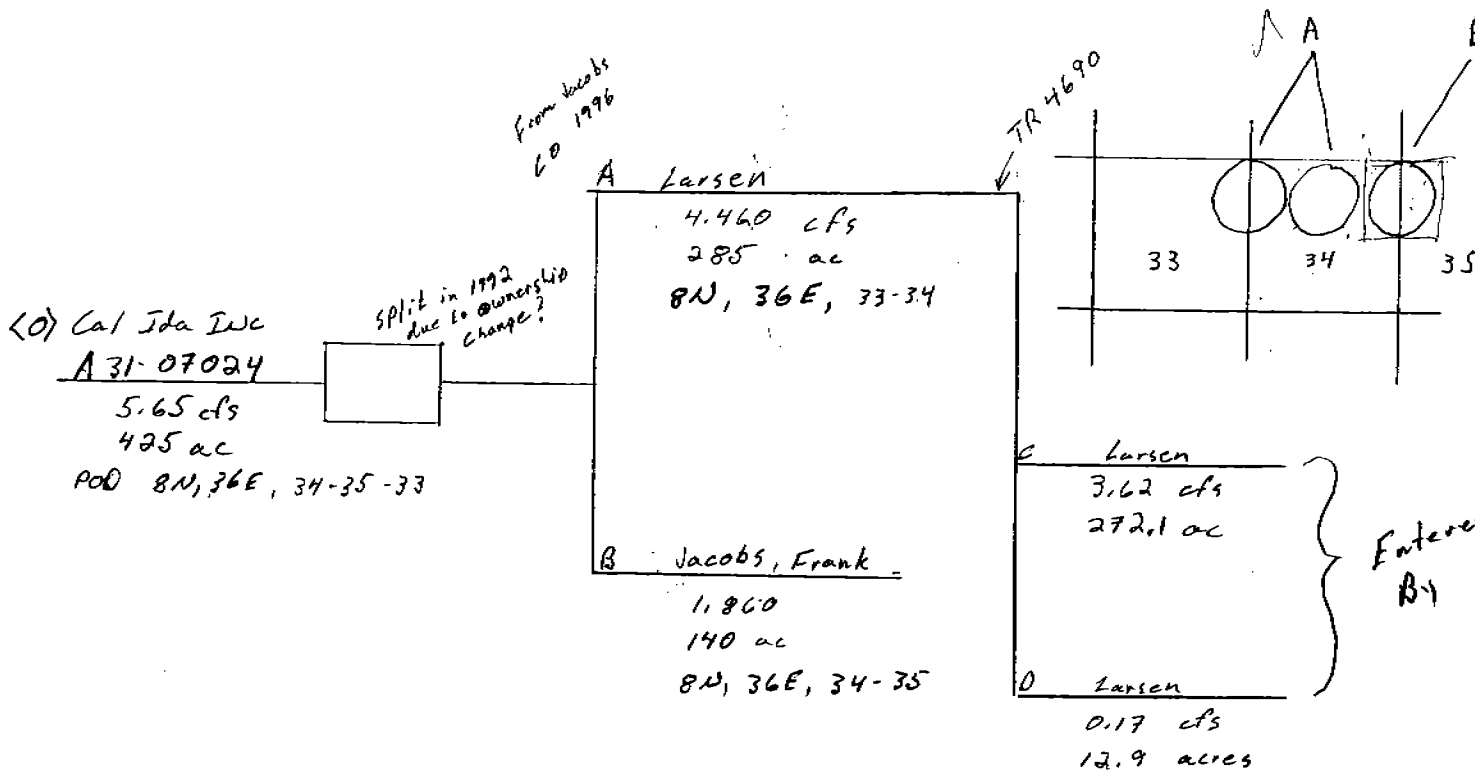

TR 4690 split 31-07024 to portions A and B by an application from Blaine Larsen.

Results:

A31-07024A split to C and D to represent results of TR 4690. CFS reduced due to being over-claimed.

Notes: Portion B on the adjudication Side is claimed under Frank Jacobs. I called the Assessors office and found that the land is now owned by Kirk Jacobs. May 1, 2000, correspondence was sent to Kirk requesting him to fill out a change of ownership for the rights that should now be under his name. Have not heard from him at this point.
